

Psychological and Behavioral Treatment Providers for Children with GI Problems

Compiled by Dr Miranda van Tilburg 1/5/15. For updates or questions please contact tilburg@med.unc.edu

This list is provided only as an aid to finding clinicians in a particular area. NASPGHAN and Dr van Tilburg have not verified the information on this list, licensure or experience of the clinicians, nor has any commercial interest in their clinical service. No responsibility is assumed for the quality of the services of these individuals by providing this listing. Prospective clients and referring clinicians should independently verify the current state health profession license and the training and experience of the clinicians they contact.

Provider State	Provider Name	Practice Name	Address	Phone	Website	EMAIL	Comments
