

Wiley Member Direct Print on Demand Ordering Procedures

For assistance or questions, please contact Sheridan Print on Demand Customer Service at: sheridan.pod@sheridan.com

STEP 1: Visit the Sheridan webstore

Navigate to: <https://ondemand.sheridan.com/pages/wiley-home>. Use the search box or scroll down the alphabetical list to find the title you would like to purchase.

The screenshot shows the Sheridan webstore interface. At the top, there is a search bar with the placeholder text "Search store..." and a magnifying glass icon. To the right of the search bar, it says "0 items · Check out" and a circular badge displays "\$0.00". Below the search bar is the Sheridan logo and navigation links for "Home", "FAQ", and "Contact". A banner image shows several books or journals. Below the banner, the heading "WILEY HOME" is displayed. The text below the heading reads: "This portal provides the ability to order annual print subscriptions and also print orders for single issues. Please follow these simple steps: 1. Find the journal you are interested in from the menu below. Or select Search Titles and type in the name of journal in which you are interested. 2. Select your title. The next page will allow you to order a print subscription or to purchase single issues." Below this text, there is a list of journal titles: "ACADEMIC EMERGENCY MEDICINE", "ACTA NEUROLOGICA SCANDINAVICA", and "ACTA PAEDIATRICA".

STEP 2: Specify purchase type

Once the correct title has been selected, choose the desired option: annual print subscription or single issue. Click the "Details" button next to the item you wish to purchase.

The prices displayed on this screen are the list prices - the Member Direct discounted price will be visible later in the process after the discount code has been applied. Member Direct discounts are for members and other designated society-related individuals only. Do not share the discount code with others.

Member Direct discounts apply to full-year subscription orders for a specific title only. Single issues can be purchased on the webstore at the advertised price but are not available for discount.
